

Equip + Supplies

22 April 1963

MEMORANDUM FOR: Comptroller
Director, NPIC
Deputy Director (Plans)
Atten: Chief, RID
Director of Communications
Atten: Chief, Engineering Div.

SUBJECT : Computer Utilization Data

1. In order to provide an Agency-wide compilation of computer utilization (reference Headquarters Regulation [redacted]), it is requested that the following information for each computer in your area be furnished monthly to this Staff:

- a. Type of Computer (manufacturer and model)
- b. Production Hours
- c. Program Assembly, Test, or Debug Hours
- d. Other Hours (scheduled or unscheduled maintenance, reruns caused by machine failure, unpaid for setup time)

2. Initially, monthly data is requested, insofar as it may be available, for the period from the month of installation through March 1963.
